AA is a Spirit.

It cannot be touched, nor can it be completely understood.

It's as wide as the world, yet is small enough to fit snugly into the hearts and minds of man.

It's brought light where only darkness dwelled.
It's given hope to the hopeless and help to those who yearned in despair.

It nourished forgiveness in those who know no pity.
It's given strength to the weak and humility to the strong.
It's taught patience to the hurried, action to the lazy.

To youth...it's given a vision, and to the aged...promise.
To the lonely...compassion, and to the restless...rest.
To the sick, it's been a doctor.
And to the dying it has revived a desire to live.

It has no judgment against the unteachable nor praise for those who learn.

To the outcast, it's been a family.
To the childless, it has given children.
To the ignorant...wisdom, and to the wise...tolerance.

It has given to all men that which is most precious...
It's given the love of truth and the love of life with enough left over to share...with each other.
