**Eleventh Tradition**

Our relations with the general public should be characterized by personal anonymity.

We think A.A. ought to avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed.

Our public relations should be guided by the principle of attraction rather than promotion. There is never need to praise ourselves. We feel it better to let our friends recommend us.

**“Suffering is no longer a menace to be evaded at any cost.**

**When it does come, no matter how grievously, we realize that it too has its purpose. It is our great teacher because it reveals our defects and so pushes us forward into the paths of progress. The pain of drinking did just this for us. And so can any other pain.”**
